Dear Cathedral Parish Family,
It was a powerful and encouraging experience to participate in the March for Life trip last weekend! To see so many people, and so many young people, witnessing to the sanctity of all human life gives reason for hope. We can all continue being a voice for the unborn, for all women and men wounded by the darkness of abortion. May we help foster a culture of life by our prayer, compassionate action, informed voting, and consistent witness to Christ!

This week is marked out as Catholic Schools Week, and again we thank the Lord for having Fr. Marquette School as an environment where our Catholic faith can be expressed in all areas of learning. Thanks to our dedicated faculty and staff, and to all of you parents who not only send your children to our School, but live our Catholic faith strongly! Thanks to all our parish members, whose stewardship and support to our parish allows us to in turn support Father Marquette School. The All-School Mass will be here on **Friday, March 3rd at 9 a.m.** All are welcome to participate!

I myself will be away this week, serving as one of three spiritual directors for a week of silent retreat for 13-15 priests in Minnesota. This retreat is for priests who belong to a group called the Companions of Christ – diocesan priests who live a certain added commitment to the Lord and each other while serving in parish ministry. Please keep us all in prayer. I'll be returning by Sunday night, Feb. 5th. At the same time, Bishop Sample will be in Rome for his Ad-Limina visit with the Holy Father with other Bishops from our Region. Please keep him in prayer, as well. God bless you and yours deeply!

in the Hearts of Jesus and Mary,

Msgr. Michael

FAITH IN SCHOOLS

When we see the cross on the classroom wall, may we always remember the reason our schools of faith exist. For Christ died upon the cross, not for academic excellence, and not for a dress code; not for well-written essays, or for correctly added math problems.

Christ died upon the cross for our salvation, and as a model of love for us to follow.

May we remember while learning or teaching, that the most important thing we can learn or teach is not in our textbooks, but instead, is our faith in Christ himself.

Amen.

Thank you for caring! Return baby bottles to the bin in the Gathering Area after weekend Masses or to the office during the week. Thank you.

THANK YOU

Our collection for turkey and ham coupons was an overwhelming success. You so generously gave us over \$600 + which we were able to use to buy a turkey or ham for those in need. Your giving enabled us to see the joy in another's eyes when these gifts were received. Thank you so much for sharing what you were able to share. A special thanks to Econo Foods for allowing us to buy in bulk rather than one at a time.

Judi Daley and Sister Ludmilla

ST.VINCENT de PAUL SOCIETY

In the Gospel today we read that because Jesus spoke with authority his reputation spread throughout the surrounding region of Galilee. As his disciples, we can also speak with authority when we put our faith into actions by helping the poor and suffering. **The District of Marquette pantries served 1002 families which included 2525 individuals at a cost of \$11,259.16. Our primary purpose is spiritual growth of our members and our secondary purpose is to serve those in need and bring them closer to God. Call Judi Daley at 228-9843 for more information on how to join us.** Please place your donations in the wicker baskets in the Gathering Area. Please bring all monetary donations to the Parish office. Thank you.

NOTES FROM BISHOP BARAGA'S LIFE

"Nineteen nice sleds from Mackinac and Pointe St. Ignace came together and drove me in triumph to Mackinac, where the zealous missionary, Fr. Murray, received me at the door of the Church. The people came into the church and from the altar I gave them the bishop's blessing."

Bishop Baraga, Feb. 15, 1860

FYI from Msgr. Michael

“Science can tell us what is, but it can't tell us good from bad, right from wrong. Therefore it is not anti-science to oppose embryonic stem cell research and human cloning. It is pro-science to care enough to keep this powerful enterprise within proper ethical parameters.”
